**CONSTRUCTION PLANNING ZONE**

1. Share with your table how today's message spoke to you. Be Specific.
2. A wise man said, live your life with the end in mind. As you think about that, what would you like for your family to say about your "dash" at your funeral?
3. As you construct your dash, are there any relationships that you need to repair or restore?
4. The bible says *that "David fulfilled the purposes of God in his generation"* What steps could you do **NOW** that would build that statement into your dash?

**\*\*\*\*\*BONUS\*\*\*\*\***

**Ask God to speak to your inner man on how to construct your legacy so that it will honor Him and bring others into the Kingdom of God.**
